Dear Parent,

I want to share with you some information about what seems to be the norm each year for outings. During the outing, we will make sure the kids drink plenty of water and will offer well-balanced meals and healthy snacks throughout the weekend. We will also remind them to brush teeth and shower (though we don't enforce showers). On a side note, when packing clothes, please don't send clothes that you can't part with. We do some game processing and messy work, so their clothes might come home so dirty and smelly that you may want to throw them away. If you want to send care packages or cards, please leave them with the staff when you drop them off. Mailed packages in the past have shown up after the session ends.

**Electronic Policy:** We want kids and staff to "unplug" at camp. For those kids that do bring a cell phone, we will take their cell phones away when they check in to avoid them talking to friends, texting, and playing games. We will return those at the end of camp. Also, keep other electronics, like game systems, iPods, mp3 players, etc. at home. If there are any problems or your child needs to talk with you, you will get a call from the camp mom, counselors or Director. If you need to touch base with your son during the session, please call or text the number listed on the contact page. The schedule is always busy, so we may not return a call right away and ask for patience. Also we will be taking plenty of photos and videos, so a camera is not necessary. We will be posting photos to the CTO Illinois Facebook page (<https://www.facebook.com/CTOIllinois>), and to our SmugMug account (access through [teamcto.org](http://teamcto.org))

**Meals:** A typical meal schedule includes a protein packed breakfast. It is vital that they eat high protein foods to have the energy necessary to get everything done each day. We usually graze for lunch—leftovers, sandwiches or sausage wraps and fruit. We encourage them to eat lots of fruit. Please feel free send snacks, but try to stay away from too much sugar. We do offer snack foods they can prepare themselves (instant oatmeal, popcorn, PB&J, etc.) At dinner, there's always plenty of food with meals prepared by staff or local CTO parents. Spaghetti, pulled pork, BBQ, hamburgers, lasagna, Mexican casserole and whatever they harvest are staples of the dinner menu, along with vegetables and a dessert. We have lemonade, tea, water and ice always available. We also serve orange juice, milk, coffee and hot cocoa. You may send Gatorade with your child but do not send Energy drinks.

**Nurse:** Most of our nursing needs center on bites, stings and minor cuts and burns. All of our staff is certified in advanced CPR and First Aid. We are also within 30-45 minutes of an emergency medical facility, should a more serious need arise and one of our staff members will personally drive your son to the clinic or hospital if necessary. Please report any allergies to food, medicines or insect, etc. If he has an epi-pen or inhaler, we will keep it with us at all times. Any medications taken during camp will be logged in a spreadsheet incase of emergencies. You can update the medical information you provided at registration online at [www.teamctoil.wildapricot.org](http://www.teamctoil.wildapricot.org).

We look forward to a fun and impactful summer for these young men. If you have any questions or concerns, please do not hesitate to call.

In Him,

Eric 'Bear' St. Pierre

## Important information for CTO Outing

For all calls during your son's camp session or for directions, please call or text CTO staff:

D'Lige Smith-Hughes 217-255-0321

If your son needs to call you, we will make arrangements for him to contact you. We encourage all campers to call home after their animal is harvested, but there rarely is a need to do so otherwise. If we think calling home at other times is necessary or beneficial, we will either call you ourselves or ask him to call home. We appreciate your understanding in this area.

**DROP OFF TIME:** Plan to arrive at the outing as close to 8 am as possible on Saturday, **December 2<sup>nd</sup>**. Please, make sure your Sportsman eats breakfast before you come. For those sending kids from out of state, please contact Eric 'Bear' St. Pierre 217-480-2327 to make arrangements for travel to and from camp. (Camp location can be found on [www.teamctoil.wildapricot.org](http://www.teamctoil.wildapricot.org))

**PICK UP TIME:** Youth pick up will be on Saturday, **December 2<sup>nd</sup>** around 4:00pm at the Outing Location. We ask that you make arrangements for a later pickup time.

**Payment and paperwork:**

The camp liability waiver needs to be signed and returned as soon as possible. Final payment for outing tuition is due the Monday before the outing, but can be dropped off at the time of the outing if arrangements have been made with D'Lige Smith-Hughes.

**Hunters Education Card**

Illinois requires for all Youth age 19 and up to have completed hunters' education. Anyone between 7 and 18 just needs to be accompanied by an adult, so the Hunters Education is not required for younger kids. However, Illinois does require that kids get a hunting license (see information below).

**Hunting/Fishing License**

All youth are required to have a hunting license for the 2017-18 year. If your son doesn't already have a license, you can purchase online through Illinois Department of Natural Resources (<https://www.il.wildlifelicense.com/license.php?action=custlkup>). This is the method preferred by CTO, when you get your license it will be in the form of a Adobe PDF document. You can save it to your computer and then email a copy to D'Lige. This way if it gets lost or destroyed he can just re-print the license.

You can also purchase at Hunter's Haven, Rural King, Wal-Mart, Gander Mountain, and other outdoor stores. You must provide your child's social security number when applying. Please remember to bring this on all outings/hunts.

## CTO OUTING PACKING LIST

Please label all your stuff! While we do our best to keep track of “lost and found,” your gear is your responsibility. We have loaner items available for virtually everything on this list. Please let us know in advance what you need. Try not to over pack because space for their gear is VERY LIMITED. If you aren’t sure if you should send it, please ask!

- Bible (modern translation)
- Footlocker to hold all your stuff (A large plastic bin works great too or a suitcase)

### CONTACT INFORMATION – PARENTS: KEEP THIS HANDY

For all calls during the outing or for directions, please call or text:

D’Lige Smith-Hughes 217-255-0321 (Cell reception at the farm is very limited. So texting works best and calls will be returned when cell service is available. Also leave a voice mail message because missed calls do not always show up when phones are out of cell range)
